Hi Elizabeth,

I'll be happy to meet with you via Zoom or phone call to discuss some updates related to ongoing Cannabis Enforcement and our Abatement Program. Let me know what days your group will be available and whether mornings or afternoons work best. Please also send me a list of specific questions you may have, along with your association/group name. This way, I can have time to research and have all the answers when we meet. I know you represent the community of Newberry Springs, but if there are other communities you are interested in, please let me know. I look forward to hearing from you.

Joana Cavazos

Thank you for your service request. When Code Enforcement is notified where the cannabis grows are taking place, then cases for abatement can be initiated. These requests can be processed online or over the phone.

To report a cannabis grow, please provide either the address or the Assessor's Parcel Number (APN) so that Code Enforcement may initiate their abatement process.

Without this information being reported, the County cannot investigate and then take further enforcement action.

Thank you,

**Andy Florimon**
