## As I Sit In Heaven

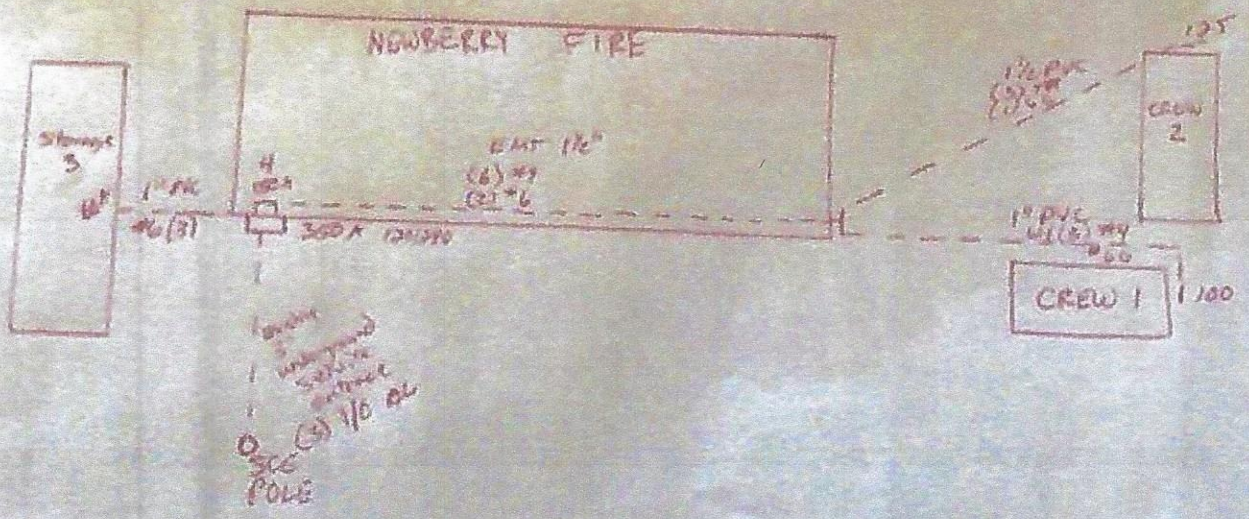

And watch you every day,  
I try to let you know with signs  
I never went away,  
I hear you when you're laughing,  
And watch you as you sleep,  
I even place my arms around you  
To calm you as you weep,  
I see you wish the days away,  
Begging to have me home,  
So I try to send you signs  
So you know you are not alone,  
Don't feel guilty that you have  
Life that was denied to me,  
Heaven is truly beautiful,  
Just you wait and see,  
So live your life, laugh again,  
Enjoy yourself, be free,  
Then I know with  
Every breath you take  
You'll be taking one for me.

## Until We Meet Again

We think about you always,  
We talk about you still,  
You have never been forgotten,  
And you never will,  
We hold you close  
within our hearts  
And there you will remain,  
To walk and guide us  
through our lives,  
until we meet again.
