Newberry Springs Park

Yesterday I took my kids to the Newberry Park and I could not believe the terrible condition it is in.

There are broken electric lines hanging, water fountain is destroyed, the grass is dead, the small building is full of trash, still there are no trees anywhere in the park that the board approved to put in many years ago, bathrooms are still terrible, and the wood chips are. It's not even up to code.

You have money from the taxes we pay, So Fix It!

Add it to this month's Agenda.

I will take further action if needed!

Resident of Newberry Springs.
