General Manager Report April 23, 2024

- 1. I will be on vacation April 30th to May 8th. Marchelle will be in the office during normal business hours.
- 2. We contacted Animal Control regarding the stray dogs in the park on March 29th. They sent a patrolman out daily for one week and they did not see or collect any dogs. We called again on April 12th to have them come back out and they took 1 dog that was in the park. We are ordering leash law signs with the civil code on them.

3.

- 4. The first budget meeting was held on April 11th, Paula, Margie, Daphne, Marchelle, and I are working on next fiscal year's budget.
- 5. C & M Fence came out and gave us an estimate for a new gate. It will be a 24-foot roll gate at the end of the ball field catty corner from the batting cage. The amount is \$3,938.00.
- 6. A new landscaper was hired this month and Klean Kut Kare will no longer maintain the grounds.
- 7. Eide Bailly is still hard at work on cleaning up the books, I have been in contact with them weekly.

NEWBERRY SPRINGS FIRE DEPT.

MONTHLY REPORT MARCH - APRIL 2024

*TRAINING IN HOUSE: TOTAL: (6) Hours. Individual FireFighters Online Computer Training- (4) Hours.

- A. Medical / trauma bags and fire apparatus checked out weekly.
- B. Wildland- pulling 1000 ft of hose in rough terrain "Progressive Hose Lays"
- C. Firefighters were asked to teach the class on 10's & 18's
- *MUTUAL Fire Dept's Training: FSD- 4/20/24 Auto X at Barstow FD with all volunteer FD's / MCLB / SBCounty FD. Newberry Fire has been assisting Yermo Fire with testing for Driver operator 1a & 1b, & with task book trainings (x 19 hours)

*CALL VOLUME & RESPONSE:

- (41) Calls in the month of March
- (10) Missed calls- (MutualAid Services by MCLB & Desert Amb. in our absents)
- (131) Calls To Date (04/19/24)
- *BP393- 10/13/23 OUT OF SERVICE. Would like to sell! No storage or funds to repair at this time.
- *E392R- (2000 Ferrara/FTL 1000 gallons, our Reserve engine, E392R)
- *E392- (2006 KME Predato-750 gallons, E392) 03/18/24 Mon. E392 was taken into Yeager Diesel after inspection 'active check engine light' for turbo compressor temp sensor (harness had melted & shorted ground) After test drive w Stu the 'EGR leak boost power' lost power only when Jake brake is in high/medium. Yeager had replaced sensors & harness. ((as of 3/22nd EGR's are on back order x 11 months through out the sates)).
- *NOTE: while we are driving E392 things are going to pop up for maintenance. Pennsylvania being a colder weather state, compared to our desert weather & non-maintained roads). This is why we will be continuing with "preventive maintenance".
- *STATION 392: "Bunking Quarters & Station 392- 02/14/2024 Edison Payment made \$1029.39 for electrical work to start, to energize our bunking quarters. Permit by Edison/SB County approved;
- 1. Trench, 2. Panel, 3. Edisons inspector to approve all underground systems.
- 3/20/24- Panel needs to be re-approved by Edison from the original plans (huge panel to go on the west side of door) & Rose Electric had to receive another permit & now hopes to start their part in April/May.

*EVENTS/ACTIVITIES/GRANTS:

- A. GRANTS completed a FEMA grant March 2024.
- B. AFG 2021 SCBA grant money was issued but returned. 2/22/24 by FEMA. 3/20/24 account updated with SAM's. Still waiting for the deposit from FEMA.
- C. SB County Reimbursement of \$68,985. We had turned in work "early" rep from County says "TURN IN ALL RECEIPTS WHEN JOB IS COMPLETED!" As of 2/16/24 were shy of \$14,000 to be reimbursed. We must complete project & turn in all receipts before May 22, 2024.
- D. Would like to ask the NCSD Board of Directors / GM to look into the tax % for our NCSD / NSFD from 1% up to the 2% or 3%....
- *PUBLICE COMMENTS/REQUEST: NONE at this time

DIR. COMMENTS RE: AB2947

General Intro

Lackey Update

- Assemblyman Lackey has twelve bills that have begun moving through the legislature, spanning a variety of subjects such as public safety, transportation, health etc.
- To focus in on just a few of the Assemblymembers' bills:
 - AB 3083 ensures that the subjects of domestic violence restraining orders surrender all known firearms will reduce the incidence of gun violence and murder of the victims of domestic violence.
 - AB 2645 would allow sharing real time data for Amber/Ebony/Feather Alerts with law enforcement. Utilizing plate reading on toll lanes would allow law enforcement to quickly identify and intercept suspects who may meet the criteria for these special alerts.
 - Lastly, AB 3197 would allow county elections officials to modernize local election procedures by:
 - Authorizing the creation of a standardized format for all petitions circulated within the county for which the county elections official provides signature verification services; and,
 - Streamlining the ability for county elections officials to provide online candidate statements for local nonpartisan elective offices within that county.
- In addition, to the Assemblyman's legislative package, the Legislature has recently begun hearings for policy and budget committees for measures that were introduced last year, known as two-year bills. Once these bills are dispensed with, the proposals introduced this year will become items of discussion.

Additional Bills of Interest – Both positives and negatives

This list is my no means exhaustive, but a snapshot into what is occurring in the legislature.

- AB 1809 (Rodriguez) Excludes an incarcerated person who was convicted of first-degree
 murder of a specified type of peace officer from eligibility to have his or her sentence
 recalled and resentenced under provisions of law authorizing the Department of
 Corrections and Rehabilitation, a district attorney, or the judge (on his or her own
 motion) to petition the court to recall and resentence a prisoner.
 - GOOD BILL The Assemblyman does not want cop killers getting lower sentencing

- AB 1874 (Sanchez) Increases the penalty for a second or subsequent conviction of a person who uses a hidden camera to film or record another person in a state of full or partial undress, for the purpose of viewing the body or the undergarments of the person, without the consent or knowledge of that other person, in the interior of a bedroom, bathroom, changing or fitting room, dressing room, tanning booth, or any other area in which that other person has a reasonable expectation of privacy, with the intent to invade the privacy of that other person from an aggravated misdemeanor to an alternate felony/misdemeanor if the victim is a child.
 - GOOD BILL The Assemblyman believes our kids need to feel as though the state is willing to protect them
- AB 2220 (Bennett) Imposes vast new requirements and liability on California commercial fishing operations. The bill expands the environmental protections of California's marine protection zone to all state waters, with no compensation for fishermen for surrendered gear and lost fishing.
 - BAD Bill Assemblyman Lackey believes that firmer and harsher restrictions on business is harmful to them for a variety of reasons. But this just adds another item to the list of how California makes operating a business so difficult. In addition, they do not even compensate the fisherman for the expensive equipment lost.
- **AB 2535 (Bonta)** Prohibits transportation projects in major trade corridors from adding lanes or expanding highway capacity, and requires that at least 50% of road funding for these projects must be spent on zero-emission freight infrastructure (e.g., charging stations).
 - BAD Bill As a former CHP Officer, the Assemblyman knows that transportation needs to be a priority within the district, given the high cost of living, the long commutes for residents, etc. Therefore a bill like this that limits the ability for a region to create more highway capacity, (less commuting) is not good for the district
- **SB 960 (Wiener)** Requires all highway maintenance and rehabilitation projects to include bicycle, pedestrian, and transit facilities.
 - See above
- We will continue to update as relevant items become of interest.

Policy

Newberry Community Services District (NCSD) is committed to providing a work environment that is free of disruptive, threatening, or violent behavior involving any employee, appointed or elected official, volunteer, contractor, client, and/or visitor. Our policy is to establish, implement, and maintain an effective plan as required by <u>SB 533</u>. The regulation requires us to establish, implement, and maintain, at all times in all our facilities, a workplace violence prevention plan for the purposes of protecting employees and other personnel from aggressive and violent behavior at the workplace.

Our Workplace Violence Prevention (WVP) plan is available upon request for examination and copying to our employees, their representatives, and the Chief of Cal/OSHA or his or her designee.

Prohibited Acts

NCSD will not ignore, condone, or tolerate *threats of violence* or *workplace violence* by any employee, appointed or elected official, volunteer, contractor, client, or visitor.

- Threats of violence include both verbal and non-verbal conduct that causes a person to fear for his or her safety because there is a reasonable possibility he or she might be physically injured and that serves no legitimate work-related purpose.
- Workplace violence means any act of violence or threat of violence that occurs at the
 work site. The term workplace violence shall not include lawful acts of self-defense or
 defense of others. Workplace violence includes the following:
 - The threat or use of physical force against an employee that results in, or has a high likelihood of resulting in, injury, psychological trauma, or stress, regardless of whether the employee sustains an injury
 - An incident involving the threat or use of a firearm or other dangerous weapon, including the use of common objects as weapons, regardless of whether or not the employee sustains an injury

Workplace violence can be categorized into four types:

- **Type 1**: Workplace violence committed by a person who has no legitimate business at the work site includes violent acts by anyone who enters the workplace with the intent to commit a crime
- **Type 2**: Workplace violence directed at employees by customers, clients, patients, students, inmates, or visitors
- **Type 3**: Workplace violence against an employee by a present or former employee, supervisor, or manager
- Type 4: Workplace violence committed in the workplace by someone who does not

work there but has or is known to have had a personal relationship with an employee

In addition, NCSD prohibits all *dangerous weapons* not used for fire suppression, accident and incident response, emergency medical services, the service of law enforcement, or security duties on all NCSD property. Any employee or appointed or elected official in possession of prohibited dangerous weapons on NCSD property is in violation of this policy and may be subject to disciplinary action up to and including dismissal. Any volunteer, contractor, client, or visitor in possession of prohibited dangerous weapons will be banned from the premises. *Dangerous weapons* include any instrument capable of inflicting death or serious bodily injury.

Responsibility and Authority

Workplace Violence Prevention Plan Administrator

The General Manager, or an assigned designee, is the designated WVP Plan Administrator (Administrator) and has the authority and responsibility for developing, implementing, and maintaining this plan and conducting or overseeing any investigations of workplace violence reports. The General Manager will also be able to answer employee questions concerning this plan.

The General Manager, or an assigned designee, shall solicit feedback and input from employees and their authorized representatives in developing and implementing the WVP plan. Active involvement of employees could include, but is not limited to, their participation in identifying, evaluating, and correcting workplace violence hazards; in designing and implementing training; and in reporting and investigating workplace violence incidents.

The General Manager, or an assigned designee, shall coordinate implementation of the workplace violence prevention plan with other employers (ex. contracted security staff and other employers on site), when applicable, to ensure those employers and their employees understand their respective roles as provided in the plan. These other employers and their staff shall be provided with training on NCSD's WPV plan.

Managers and Supervisors

Responsibilities include:

- Implementing the plan in their work areas;
- Providing input to the Administrator regarding the plan;
- Participating in investigations of workplace violence reports; and
- Answering employee questions concerning this plan.

Employees

Responsibilities include:

- Complying with the plan;
- Maintaining a violence-free work environment;

- Attending all training;
- Following all directives, policies, and procedures; and
- Reporting suspicious persons in the area and alerting the proper authorities when necessary.

Compliance

The Administrator is responsible for ensuring the plan is clearly communicated and understood by all employees. The following techniques are used to ensure all employees understand and comply with the plan:

- Informing all employees of the plan during new employee safety orientation training and ongoing workplace violence prevention training;
- Ensuring all employees, including managers, and supervisors receive training on this plan;
- Providing comprehensive workplace violence prevention training to managers and supervisors concerning their roles and responsibilities for plan implementation;
- Evaluating employees to ensure their compliance with the plan;
- Disciplining employees, appointed or elected officials, and volunteers who engage in threats of violence behaviors up to and including dismissal; and
- Ensuring training of this plan is conducted on an annual basis.

Communication and Training

Managers and supervisors are responsible for communicating with employees about workplace violence in a form readily understandable by all employees.

Employees are encouraged to inform their supervisors about any threats of violence or workplace violence. Employees may use the Workplace Violent Incident Log (Appendix A) to assist in their reporting of incidents. No employee will be disciplined for reporting any threats of violence or workplace violence.

After the employee has reported their concerns about any threats of violence or workplace violence to their supervisor, the supervisor will report this information to the Administrator who will investigate the incident. The Administrator will then inform the employee of the results of their investigation and any corrective actions to be taken as part of NCSD's responsibility in complying with hazard correction measures outlined in the WVP plan.

Any employee who believes he or she has the potential of violent behavior is encouraged to use NCSD's confidential Employee Assistance Program:

SDRMA Employee Assistance Program

Main Phone Number: XXX-XXX-XXXX

Website: SDRMA.com

Employee training on workplace violence will include:

- This plan;
- Workplace violence risks that employees may encounter in their jobs:
- How to recognize the potential for violence and escalating behavior;
- Strategies to de-escalate behaviors and to avoid physical harm;
- NCSD's alerts, alarms, or systems that are in place to warn of emergencies;
- · How to report incidents to law enforcement; and
- SDRMA Employee Assistance Program

Employees assigned to respond to alerts, alarms, or systems that are in place to warn others will receive additional training that includes:

- General and personal safety measures;
- Aggression and violence predicting factors;
- The assault cycle;
- Characteristics of aggressive and violent persons;
- Verbal intervention and de-escalation techniques and physical maneuvers to defuse and prevent violent behavior;
- Strategies to prevent physical harm;
- Appropriate and inappropriate use of restraining techniques and medications as chemical restraints in acordance with Title 22; and
- An opportunity to practice the taught maneuvers and techniques, including a debriefing session.

Training will occur:

- When the plan is first established;
- At time of hire or transfer;
- Annually for employees performing patient contact activities and their supervisors;
- Annually for employees assigned to respond to internal alerts, alarms, or systems;
- When new equipment or work practices are introduced; and
- When a new or previously unrecognized workplace violence hazard has been identified

Employees who receive training in a form other than live will have the opportunity to meet with a person knowledgeable on the plan within one business day of the training for interactive questions to be answered.

Procedures

Responding to Actual or Potential Workplace Violence Emergencies

In the event of an actual or potential workplace violence emergency, the General Manager, or other department manager/head, will alert employees of the presence, location, and nature of the workplace violence through the following methods:

• Text Message or phone call

When any employee becomes aware of an actual or potential workplace violence emergency, they shall notify the General Manager and/or their immediate supervisor.

Employees shall implement the run, hide, fight protocols where appropriate. Evacuation routes and sheltering locations will be communicated to affected staff. If employees are not able to evacuate or shelter in place, they are authorized to take all reasonable actions necessary to fight or subdue an active shooter or assailant.

Employees can obtain help from staff assigned to respond to workplace violence emergencies. If no security personnel are located at the worksite, employees shall call 911 to report the incident and request assistance from law enforcement.

Emergencies and Reporting a Crime

For immediate assistance in an emergency that is <u>not</u> associated with a service call, contact emergency services or law enforcement by calling 911. For immediate assistance in an emergency associated with a service call in progress, follow internal procedures for requesting immediate back-up assistance by notifying local law enforcement. Employees should also notify their supervisor, manager, and the Administrator as soon as possible.

Reporting Workplace Violence Concerns

Employees who witness or experience threats of violence or workplace violence can report the incident through their chain of command or directly to General Manager or (when GM is not available) presiding Board President. Employees may report anonymously and without fear of reprisal by submitting the incident in writing through interoffice email.

Restraining Orders

Employees or other personnel affiliated with NCSD who have an active restraining order issued against another person that includes the workplace are encouraged to provide a copy of the restraining order to their supervisor and the Administrator. Supervisors who receive notification of a restraining order that includes the workplace will meet with the Administrator to decide what actions, if any, need to be initiated.

Hazard Assessment

Workplace hazard assessments will include:

An annual review of the past year's workplace violence incidents; and

Periodic physical security assessments.

The Workplace Violence Prevention Environmental Hazard Assessment & Control Checklist (Appendix B) can be used to assist with the security assessment. Inspections are performed according to the following schedule:

- Once a year;
- When the plan is implemented;
- When new, previously unidentified workplace violence/security hazards are recognized;
 and
- When workplace violence injuries or threats of injury occur.

Hazard Correction

Work practice controls will be used to correct unsafe work conditions, practices, or procedures that threaten the security of employees.

Work practice controls are defined as procedures, rules, and staffing that are used to effectively reduce workplace violence hazards. Work practice controls may include, but are not limited to:

- Appropriate staffing levels;
- Provision of dedicated safety personnel (i.e. security guards);
- Employee training on workplace violence prevention methods; and
- Employee training on procedures to follow in the event of a workplace violence incident.

Corrective actions will be implemented in a timely manner based on the severity of the hazard, documented and dated.

Post Incident Response and Investigation

Managers and supervisors will use the Workplace Violent Incident Log (Attachment A) to assist in documenting incidents and investigations.

These procedures will occur following an incident:

- Provide immediate medical care or first aid;
- Identify all employees involved in the incident;
- Offer staff individual trauma counseling resources;
- Conduct a debriefing with all affected staff;
- Determine if corrective measures developed under this plan were effectively implemented; solicit feedback from all personnel involved in the incident as to the cause of this incident and if injuries occurred, how injury could have been prevented; and

Record the incident in the Workplace Violent Incident Log.

Recordkeeping

- Records of workplace violence hazard identification, evaluation, and correction will be maintained for three years in accordance with the recordkeeping requirements of NCSD's Injury and Illness Prevention Program.
- Training for each employee, including the employee's name, training dates, type of training, and training provider will be maintained for a minimum of three years.
- Records of violent incidents (Workplace Violent Incident Log) will be maintained a minimum of five years at GCSD's Administrative Offices.

Annual Review

NCSD's Workplace Violence Prevention Plan will be reviewed annually and updated as needed considering the following criteria:

- Staffing;
- Sufficiency of security systems;
- Job, equipment, and facility design and risks;
- Modifications or additions to tasks and procedures that affect plan implementation;
- Newly identified hazards;
- Prior year incidents;
- Identified deficiencies; and
- Feedback provided by employees and their authorized representatives.

WORKPLACE VIOLENCE PREVENTION ENVIRONMENTAL HAZARD ASSESSMENT & CONTROL CHECKLIST

Assessed by:	Title:
Location(s) Assessed:	

This checklist is designed to evaluate the workplace and job tasks to help identify situations that may place employees at risk of workplace violence.

- Step 1: Identify risk factors that may increase GCSD's vulnerability to workplace violence events
- Step 2: Conduct a workplace assessment to identify physical and process vulnerabilities
- Step 3: Develop a corrective action plan with measurable goals and target dates

STEP 1: IDENTIFY RISK FACTORS

Yes	No	Risk Factors	Comments:
		Does staff have contact with the public?	
		Does staff exchange money with the public?	
		Does staff work alone?	
		Is the workplace often understaffed?	
		Is the workplace located in an area with a high crime rate?	
		Does staff enter areas with high crime rates?	
		Does staff have mobile workplaces?	
		Does staff perform public safety functions that might put them in conflict with others?	
		Does staff perform duties that may upset people?	
		Does staff work with people known or suspected to have a history of violence?	
		Do any employees have a history of threats of violence?	

STEP 2: CONDUCT ASSESSMENT

Building Interior

Yes	No	Building Interior	Comments:
		Are employee ID badges required?	
		Are employees notified of past workplace violence events?	
		Are trained security personnel or staff accessible to employees?	
		Are bullet resistant windows or similar barriers used when money is exchanged with the public?	
		Are areas where money is exchanged visible to others?	
		Is a limited amount of cash kept on hand with appropriate signage?	
		Could someone hear an employee who called for help?	
		Do employees have a clear line of sight of visitors in waiting areas?	
		Do areas used for client or visitor interviews allow co-employees to observe problems?	
		Are waiting and work areas free of objects that could be used as weapons?	
		Is furniture in waiting and work areas arranged to prevent employee entrapment?	
		Are clients and visitors clearly informed how to use the department services so they will not become frustrated?	
		Are private, locked restrooms available for employees?	
		Do employees have a secure place to store personal belonging?	

Building Exterior

Yes	No	Building Exterior	Comments:
		Do employees feel safe walking to and from the workplace?	
		Are the entrances to the building clearly visible from the street?	
		Is the area surrounding the building free of bushes or other hiding places?	
		Are security personnel provided outside the building?	
		Is video surveillance provided outside the building?	
		Is there enough lighting to see clearly?	
		Are all exterior walkways visible to security personnel?	

Parking Area

Yes	No	Parking Area	Comments:
		Is there a nearby parking lot reserved for staff?	
		Is the parking lot attended and secure?	
		Is the parking lot free of blind spots and landscape trimmed to prevent hiding places?	
		Is there enough lighting to see clearly?	
		Are security escorts available?	

Security Measures

Yes	No	Security Measures	Comments:
		Is there a response plan for workplace violence emergencies?	
		Are there physical barriers? (between staff and clients)	
		Are there security cameras?	
		Are there panic buttons?	
		Are there alarm systems?	
		Are there metal detectors?	
		Are there X-ray machines?	
		Do doors lock?	
		Does internal telephone system activate emergency assistance?	
		Are telephones with an outside line programed for 911?	
		Are there two-way radios, pagers, or cell phones?	
		Are there security mirrors?	
		Is there a secured entry?	
		Are there personal alarm devices?	
		Are there "drop safes" to limit available cash?	
		Are pharmaceuticals secured?	
		Is there a system to alert staff of the presence, location, and nature of a security threat?	
		Is there a system in place for testing security measures?	

STEP 3: DEVELOP CORRECTIVE ACTION PLAN

(Action Plan Types: BI – Building Interior, BE – Building Exterior, PA – Parking Area, SM – Security Measure)

NCSD BOARD MEETING AGENDA SUBMITTAL

TO: NCSD Board of Directors

FROM: Director Springer

DATE: April 23, 2024

SUBJECT: Agenda Item XX: Adoption of a Resolution Approving a New

District Workplace Violence Prevention Plan Under Senate Bill No.

553

RECOMMENDED ACTION:

Recommends the following action:

I move to adopt Resolution 04-2024 approving a New District Workplace Violence Prevention plan under Senate Bill No. 553

BACKGROUND:

On September 20, 2023, Governor Newsom signed Senate Bill No. 553 ("SB 553") into law, which requires certain California employers to take steps to prevent and respond to workplace violence. Notably, SB 553 added Section 6401.9 to the California Labor Code, which, effective July 1, 2024, requires covered employers to adopt a comprehensive workplace violence prevention plan that must include, among other things, the following:

- The names or job titles of the individuals responsible for implementing and maintaining the workplace violence prevention plan.
- Procedures to obtain the active involvement of employees in developing, implementing, and reviewing the workplace violence prevention plan, including their participation in identifying, evaluating, and correcting workplace violence hazards, designing, and implementing training, and reporting and investigating workplace violence incidents.
- Methods the employer will use to coordinate the implementation of the workplace violation prevention plan among employees in the same facility or department.
- Procedures for the employer to respond to workplace violence and to prohibit retaliation against employees who make reports of workplace violence.
- Procedures for ensuring compliance with the workplace violence prevention plan.
- Procedures for communicating with employees regarding workplace violence matters.
- Procedures for developing and providing training on the employer's workplace violence prevention plan.
- Assessment procedures to identify and evaluate workplace violence hazards.
- Procedures for correcting workplace violence hazards in a timely manner.
- Procedures for post-incident response and investigation.

In addition to developing and implementing a workplace violence prevention plan, covered employers must also "record information in a violent incident log about every incident, post-

incident, response, and workplace violation injury investigation" performed in accordance with the workplace violence prevention plan.

California employers subject to the law must also review and update their workplace violence prevention plans on an annual basis and provide an evaluation of the incidents that occurred and maintain records of workplace violence hazards previously identified.

With the utilization and aid of CSDA's open forum, the District obtained a template that is compliant with the new law's requirements and has modified it to reflect the District's specific information and responsible individuals.

ATTACHMENTS:

- 1. Draft Workplace Violence Prevention Plan
- 2. Resolution 04-2024

RESOLUTION 04-2024

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE NEWBERRY COMMUNITY SERVICES DISTRICT APPROVING A NEW DISTRICT WORKPLACE VIOLENCE PREVENTION PLAN UNDER SENATE BILL NO. 553

WHEREAS, the Newberry Community Services District (herein referred to as District) is a local government agency formed and operating in accordance with Section §61000 et seq. of the California Government Code; and

WHEREAS, on September 20, 2023, Governor Newsom signed Senate Bill No. 553 ("SB 553") into law, which requires certain California employers to take steps to prevent and respond to workplace violence; and

WHEREAS, notably, SB 553 added Section 6401.9 to the California Labor Code, which, effective July 1, 2024, requires covered employers to adopt a comprehensive workplace violence prevention plan; and

NOW THEREFORE BE IT RESOLVED THAT THE BOARD OF DIRECTORS OF THE NEWBERRY COMMUNITY SERVICES DISTRICT DOES HEREBY adopt Resolution 04-2024 approving a New District Workplace Violence Prevention Plan Under Senate Bill No. 553 as follows:

- The names or job titles of the individuals responsible for implementing and maintaining the workplace violence prevention plan.
- Procedures to obtain the active involvement of employees in developing, implementing, and reviewing the workplace violence prevention plan, including their participation in identifying, evaluating, and correcting workplace violence hazards, designing and implementing training, and reporting and investigating workplace violence incidents.
- Methods the employer will use to coordinate the implementation of the workplace violation prevention plan among employees in the same facility or department.
- Procedures for the employer to respond to workplace violence and to prohibit retaliation against employees who make reports of workplace violence.
- Procedures for ensuring compliance with the workplace violence prevention plan.
- Procedures for communicating with employees regarding workplace violence matters.
- Procedures for developing and providing training on the employer's workplace violence prevention plan.
- Assessment procedures to identify and evaluate workplace violence hazards.
- Procedures for correcting workplace violence hazards in a timely manner.
- Procedures for post-incident response and investigation.

WHEREFORE, this Resolution is passed and adopted by the Board of Directors of the Newberry Community Services District on March 12, 2024, by the following vote:

AYES: NOES: ABSTAIN: ABSENT
APPROVE:
Paula Deel, Board President
ATTEST:
Kayleen Vanek, Board General Manager
CERTIFICATE OF GENERAL MANAGER
I, Kayleen Vanek, the duly appointed and acting General Manager of the Board of Directors of the Newberry Community Services District, do hereby declare that the foregoing Resolution was duly passed and adopted at a Regular Meeting of the Board of Directors of the Newberry Community Services District, duly called and held on April 23, 2024. DATED:

APRIL 23, 2024 DRAFT POLICY 4000 (as amended)

POLICY TITLE: Board Use of Legal Counsel

POLICY NUMBER 4000

4000.1 - The NCSD Board will choose one attorney (or legal firm) to serve as the "Attorney of Record" for the District. This attorney will advise the Board regarding legal and policy matters which arise in the normal course of performing the Board's duties serving the needs of the public. This attorney works for and reports to the NCSD Board.

4000.2 - In cases of litigation where the District is either Plaintiff or Defendant in a civil or criminal lawsuit or investigation, the Board may utilize the services of a second attorney (or legal firm) to represent the interests of the District specifically with regard to that lawsuit. This attorney also works for and reports to the NCSD Board.

4000.3 – The President of the Board may contact the attorney or attorneys representing the NCSD Board at any time regarding legal issues or matters brought before the Board. The General Manager (GM) may, at the direction of the Board President, contact the attorney or attorneys regarding legal issues or matters brought before the Board.

4000.4 - The GM will maintain a confidential Attorney Telephone Log of all telephone calls and text messages to and from the District's attorney or attorneys. The log will contain the following information: date, the name of the attorney contacted, the contacted attorney's telephone number, the name of the party who originated the call, the time the call started, the time the call ended, the total call duration and the reason for the call.

4000.5 - The telephone log will be maintained confidentially by the NCSD General Managerand by all NCSD employees. Because it will, in many cases, contain information regarding attorney/client matters, it is a confidential document legally subject to attorney/client confidentiality. This log will not be subject to Public Records Act requests.

4000.6 – NCSD Directors may access the confidential Attorney Telephone Log at the District's office during normal office hours.

POLICY TITLE: Burn Permits
POLICY NUMBER: 7015

All persons burning within the boundaries of the Newberry Community Services District shall adhere to Rule 444 of the Mojave Desert Air Quality Management District and all amendments that have been executed by the Newberry Community Services District.

Cost of a Burn Permits are \$2.00 per month or is \$250.00 for a year. A year is defined as 12 months from the date of purchase, not the calendar year.

Permits can be obtained at the Newberry Community Services District Office or by mail. Only twelve month (annual) permits can be obtained through the mail. Burn Permit form is on the Newberry Community Services District website: https://www.newberrycsd.net/csd-services. Persons wishing a mailed application may contact the CSD Office during business hours.

Revised, Approved and Adopted April 23, 2024 Revised, Approved and Adopted April 22, 2014 Approved September 23, 2008 THIS PERMIT IS VALID ONLY ON THOSE DAYS DURING WHICH AGRICULTURAL BURNING NOT PROHIBITED BY THE STATE AIR RESOURCES

April 23, 2024

The Honorable Lola Smallwood-Cuevas Chair, Senate Committee on Labor, Public Employment and Retirement 1021 O Street, Suite 6740 Sacramento, CA 95814

RE: Senate Bill 1116 (Portantino) Unemployment Insurance: Trade Disputes: Eligibility for Benefits. – OPPOSE (As Introduced February 13, 2024)

Dear Senator Smallwood-Cuevas,

The Newberry Community Services District respectfully opposes Senate Bill 1116, which would provide employees who remain on strike for more than two weeks with Unemployment Insurance (UI) benefits, thus requiring employers (via UI) to fund ongoing labor disputes. Local government and school revenues are incredibly restrictive and funding sources are limited; as cost pressures continue to increase for local governments and schools, it is critical that we have a fiscally solvent UI system in order for local agencies to continue to provide services to the public and provide competitive benefits to our active and retired employees.

Under existing law, UI payments are intended to assist employees who, through no fault of their own, are forced to leave their employment. Participating local agencies fund these payments via an Unemployment Insurance Reserve Account (UI Account) with the Employment Development Department (EDD). SB 1116 makes a significant change to this approach by providing unemployment to workers who are currently employed, and not seeking other employment, but has chosen as a labor negotiating tactic to go on strike. In the event of a strike that lasts over two weeks, SB 1116 would allow all striking workers to claim UI benefits for up to 26 weeks. In this situation, a local government agency would experience simultaneous claims that would significantly increase UI costs. These costs would impact public employers, such as cities, counties, special districts, and joint powers authorities. It would also impact K-12 schools, as school districts directly pay a portion of employee wages to the State fund through the School Employee Fund, coordinated through their County Office of Education.

In addition to its considerable costs to employers, SB 1116 will likely further harm the already insolvent UI fund and threaten benefits to unemployed Californians in future recessions. California's UI Fund was exhausted during the COVID-19 pandemic, and is projected to have an outstanding balance of \$20.8 billion at the end of 2024, owed to the Federal government. This is nearly double the amount of funds that California borrowed the last time California's UI funds were exhausted during the 2008 recession. Beginning in 2008, California accumulated more than \$10 billion in debt which was not repaid until 2018 – a decade later. This UI deficit had significant fiscal effects on employers and the general fund. California's UI insolvency resulted in significant federal tax increases ranging from the hundreds of millions to over \$2 billion per year between 2012-2018. With California's UI Fund becoming insolvent less than two years after repaying federal UI from the Great Recession, California cannot afford to further leverage and strain an already burdened system.

This measure follows an identical measure, SB 799 (Portantino, 2023), which was vetoed by Governor Gavin Newsom. The Governor's veto message stated in part: "[T]he state is responsible for the interest payments on the federal UI loan and to date has paid \$362.7 million

2 | Page Senate Bill 1116 Portantino

in interest with another \$302 million due this month. Now is not the time to increase costs or incur this sizable debt." The State Department of Finance has also stated that a prior unsuccessful predecessor to this bill, Assembly Bill 1066 (Gonzalez, Lorena, 2019), would have resulted in, "... Increased cost pressures on the UI Fund, exacerbating the condition of the Fund and hindering the ability to build a reserve to respond to variations in the economy." With the State already grappling with a multi-billion dollar budget deficit that will negatively impact local agencies, it would be counter-productive to simultaneously increase cost pressures on the State's UI fund.

It is also important to note that this measure will further erode good faith negotiations at the bargaining table for local government and schools employers. Local governments and schools work hard to engage in good faith bargaining. If SB 1116 were to become law, we anticipate longer lengths of impasse, higher costs associated with protracted Public Employee Relations Board (PERB) proceedings and a decline in quality of public services. These impacts could be amplified by a pending measure concerning sympathy strikes (Assembly Bill 2404 (Lee)) and a recently-enacted measure allowing for collective bargaining for temporary employees (Assembly Bill 1484 (Zbur, 2023)).

For these reasons, we must respectfully oppose SB 1116. Please feel free to contact us if you have any questions.

Sincerely,

Paula Deel, President Newberry Community Services District directorpdeel@gmail.com

Agenda Item – <u>Discussion/Possible Action</u>

Newberry Community Services District (NCSD) --- Project List

The NCSD Project List has been prioritized according to the Priority rating given by the submitter. The responsibilities for NCSD include Fire Protection, Street Lights, Park and Recreation and Water.

We need to have at least the Priority 1s identified for 2024/25 budget preparation.
